I hereby agree to pay all service charges for such service(s) as are fixed by the City of Grantsville furnished to said premises. In the event said premises are rented, leased, and/or occupied by a tenant or any other occupant, the undersigned further agrees to pay for the services furnished said tenant, or any other occupant, of the said premises in the event such tenant or occupant shall fail to pay for the same; and in the event of a failure to pay the charges, the undersigned agrees that the City shall have the right to shut off the water, at its election, and agrees to be bound by the rules and regulations and ordinances of the City of Grantsville for the control of its water and sewer systems.

Owner of Premises/Authorized Agent

Sec. 22-35 All bills for sewer service shall be rendered monthly at established rates on the same bill with the water bill. Each bill shall show separately the amount of the sewer service charges from the water bill, but the total thereof shall be considered one charge for the combined use of water and the services of the sewer system. The portion of the bill rendered for the water service cannot be paid separately from the portion rendered for sewer service. In the event such bills, or any part thereof are not paid in full within forty five (45) days after the date rendered, water service shall be immediately discontinued and shut off. Before the water shall be turned on again, all delinquent water and sewer charges shall be paid up to the end of the term as assessed. In the event water is turned off for nonpayment of water or sewer charges, as herein provided, \$25.00 as expenses for shutting off the service, which shall be paid before the water is turned on again.

Sec. 28-31 In the event the consumer residing on his own property shall have his water shut off, then said consumer shall, before re-establishment of such service, be required to pay a connection service fee of \$25.00.
